

Nappy and Toilet Training Policy

Bumble & Bloom Childcare

We support each child's toileting journey with respect, patience and close partnership with parents.

Working with parents

- Toilet training is introduced when the child shows readiness cues and after discussion with parents.
- We agree a consistent approach with home covering language, timings and rewards.
- We share daily updates through the childcare app.

Nappy changing

- Nappies are checked at least every two hours and changed promptly when wet or soiled.
- Changing takes place in a designated, screened area away from food preparation.
- We wear disposable gloves and aprons and follow strict hand hygiene.
- Full detail on privacy and safeguarding is in our Privacy & Dignity Policy.

Toilet training

- We offer low toilets, step stools, potties and spare clothes.
- Children are encouraged but never pressured; accidents are handled matter-of-factly without shame.
- We celebrate progress warmly and consistently.

Hygiene and health

- Hands are washed with soap and warm water after every toilet visit and nappy change.
- Any concerns about a child's toileting, skin or behaviour are shared with parents promptly.
- If we notice signs of illness or safeguarding concern we follow the relevant policy.

Review

- This policy is reviewed at least annually.
