

Smoking and Vaping Policy

Bumble & Bloom Childcare

Bumble & Bloom Childcare is a completely smoke-free and vape-free environment.

Our commitment

- Smoking, vaping and use of any other tobacco or nicotine product is not permitted anywhere on the premises, in the garden or in any vehicle used to transport children.
- This applies to Charlotte, any assistants, parents, visitors and contractors.

At handover and on outings

- Adults collecting or dropping off children are asked not to smoke or vape at the door or on the drive.
- On outings we avoid areas where smoking or vaping is taking place.

Second-hand exposure

- We understand the risks of second-hand smoke and vapour to children's health and act to eliminate exposure.
- Anyone smoking or vaping before contact with children is asked to wash their hands and change any smoke-affected clothing where possible.

Breaches

- Any breach is addressed sensitively but firmly and may result in review of the childcare agreement.

Review

- This policy is reviewed annually.
