

# Behaviour Management Policy

Bumble & Bloom Childcare | 66 High St, Egham TW20 9EY | July 2026

We promote positive behaviour through clear, consistent expectations, praise and age-appropriate boundaries. This policy explains how we support children to manage their feelings and behaviour.

## Aims

- To create a calm, safe and respectful environment.
- To help children understand expectations and develop self-regulation.
- To respond to behaviour in a fair, consistent and proportionate way.

## Positive behaviour strategies

- We use praise and encouragement to reinforce positive behaviour.
- Clear, simple rules are discussed with children and reinforced consistently.
- We model kindness, sharing, turn-taking and respectful communication.
- Children are helped to understand their emotions and find constructive ways to express them.

## Addressing challenging behaviour

- We respond calmly and redirect behaviour where possible.
- We use 'time to calm down' or quiet time, never as punishment but as a chance to reset.
- Physical restraint is never used unless necessary to prevent immediate harm.
- Parents are kept informed and involved in behaviour strategies.

## Unacceptable behaviour

- Bullying, discrimination, violence and unsafe behaviour are not tolerated.
- We work with parents and, if necessary, outside professionals to support children who display persistent challenging behaviour.

## Review

- This policy is reviewed annually and updated as needed.
