

Promoting British Values Policy

Bumble & Bloom Childcare

This policy explains how we promote the fundamental British values of democracy, rule of law, individual liberty, and mutual respect and tolerance in our daily practice.

Democracy

- Children are helped to make choices — from activities to snacks — and to see that their voices are heard.
- We use simple voting, turn-taking and group decisions to model democratic ideas.

Rule of law

- Simple, clear rules are agreed with children and reinforced consistently.
- We talk about right and wrong, fairness and consequences in age-appropriate ways.

Individual liberty

- Children are supported to try new things, take safe risks and make their own choices.
- We celebrate each child's unique interests, talents and ideas.

Mutual respect and tolerance

- We value and celebrate every family's culture, background, faith and language.
- Books, resources, music, food and celebrations reflect the diversity of our community and beyond.
- Discriminatory language or behaviour is always challenged sensitively.

Review

- This policy is reviewed annually alongside our Equal Opportunities Policy.
